**Subject:** Re-Scheduling Community Coaching Workshops

Ontario Soccer recently announced that **all sanctioned in-person soccer events and activities for the month of May have been cancelled or postponed.**

Ontario Soccer, in consultation with Canada Soccer and governmental advisors, continues to monitor the most recent developments surrounding the Coronavirus (COVID-19) pandemic and are assessing operations and deciding cancellations and postponements on a month-to-month basis as the pandemic continues to unfold.

Ontario Soccer is working with Clubs and Ontario Registered Academies to re-schedule the Community Coaching Workshops which they were scheduled to host.

At this point, hosts of the Community Coaching Workshops have begun re-scheduling and course coordinators have been communicating to Ontario Soccer of their intention to re-schedule their courses.

If your organization was scheduled to host a Community Coaching Workshop and has not yet communicated your intent to re-schedule, please contact [Lyndon Hooper](#), Coordinator, Coaching Development.

Below are links to each of Ontario Soccer's four Community Coaching Workshops, where you will find information on each course, including how to search and register for it:
