

Dear Coaches, Player, Sports Administrators and Health Care Providers,

We would like your support in driving awareness for Canada Soccer's Para Soccer National Team. There are three criteria's that would qualify a person to play for our Para Soccer National Team: mild cerebral palsy; recovery stroke person; and athletes with an acquired brain injury.

If you or anyone you know meets the criteria, Canada's Para Soccer National Team wants to speak with them!

Canada Soccer's Para Soccer National Team is currently recruiting for its national team. The team has had nearly 100 players represent Canada over the past 14 years. We know there are many more athletes from across the country who qualify for the program but may not be aware of the program and great opportunity!

Seventy-nine countries currently play 7-aside-soccer internationally. Canada is ranked 12<sup>th</sup> in the world and features some of the best players, including Samuel Charron from Ottawa who was recently selected Player of the Tournament at the 2019 IFCPF World Cup.

We are looking for your support to spread the word about the National Team, the opportunity to represent Canada and compete against the best teams in the world. You could help us get more people active in sports and maybe even find the next Canadian Para Soccer star. Please click on the link below to see some Canadian Para team action.

Interested individuals should contact head coach Drew Ferguson at [dferguson@canadasoccer.com](mailto:dferguson@canadasoccer.com).

Thank you for spreading the word throughout our soccer family in Canada.

Yours in soccer,

Drew Ferguson  
Head Coach / Manager, Men's National Para Soccer Team
