MEMORANDUM

TO: District Presidents, District Administrators, Associate Members and Ontario Registered Academies

FROM: Johnny Misley, Chief Executive Officer

CC: Ontario Soccer Board of Directors

DATE: April 1, 2020

SUBJECT: COVID-19 Pandemic Impact on Operations

As you are all acutely aware, Ontario Soccer made the difficult decision on March 12th, 2020 to suspend all sanctioned soccer events and activities in the province indefinitely. This decision, as felt with many other organizations who are in the same position, is affecting soccer operations.

As a result, recently we had to make the very difficult decision to reduce our work force and we are now in the process of reducing our membership programs and services. **We respectfully ask for your patience and understanding during this time as we navigate through this challenging period.**

We also confirm that the Ontario Soccer Board has recently approved the suspension of the 80% invoicing format for **2020 Outdoor Season** registration fees until further notice. If Districts have collected OSCAR interim (SaaS) fees, they should be held, as payment is not required until later in the year.

Please use the updated key contact list for any core programs and service inquiries you may have:
